Dedication.

The new Methodist Episcopal church in Oskaloosa, Jefferson county, Kansas, will be dedicated to the worship of al mighty God on Sabbath October 21st. 1860, by Rev. James Shaw, of Leavenworth district. Services to commence at it o'clock A. M. The ministers of adjoining charges are invited to attend. S. BROOKS, Pastor.

OCARTERLY MEETING. - The third marterly meeting of the M. E. Church Oskaloses Circuit for the present conference year, will be held in this place on Saturday and Sunday, October 20th and 21st. The dedication of the new church will take place on the 21st inst, at 11 o'clock A. M.

Rev. Mr. Wilson, (Presbyterian,) will preach at the M. E. Church in this place next Sunday evening at early candle lighting.

Woop.-Good cord-wood will be taken at this office, on subscription to the Independent. This will give somebody a good opportunity to subscribe and pay for a paper without money. Who will be the first to embrace it.

ARRESTED .- On Monday last, a man whose name we have forgotten, was arrested in our streets on a charge of horse stealing on the Kaw bottom. He had disposed of the horse, and was supposed to be making his way to Missouri when captured. Parties were in pursuit of another man upon a similar charge from the same locality. We have not heard of his arrest up to the time of going to press.

KANSAS COTTON .- A few days ago Rev. Mr. ALVORD of this place, presented us with a beautiful "cotton bowl," which he obtained from Mr.

Swimm, fiving about eight miles East of Oskaloosa, who raised it on the farm where he resides. Intermittent Pever, or Pever and Ague, Remittent Fever, Chill Fever, Dumb Ague, Periodical Headnehe, or Bilious Headache, and Billous Fevers, indeed for the whole class of diseases originating in biliary derangement, caused by the Malaria of miasmatic countries. No one remedy is louder called for by tho No one remedy is louder called for by the necessities of the American people than a sure and safe cure for Fever and Ague. Such we are now enabled to offer, with a perfect certainty that it will eradicate the disease, and with assurance, founded on proof, that no harm can arise from its use in any quantities.

That which protects from or prevents this disorder must be of immense service in the communities where it prevails. Prevention is re, for the patient escapes the this baleful distemper. This "Cone" expels the miasmatic poison of Fever and Ague from the system and prevents the develop-ment of the disease, if taken on the first apment of the disease, if taken on the first approach of its premonitory symptoms. It is not only the best remedy ever yet discovered for this class of complaints, but also the cheapest. The large quantity we supply for a dollar brings it within the reach of every body; and in bilious districts, where Feven and Large quantity we supply for a dollar brings it within the reach of every body; and in bilious districts, where Feven and use it freely both for cure and protection. It is hoped this price will place it within the reach of all—the poor as well as the rich. A great superiority of this remedy over any other ever discovered for the speedy and certain cure of Intermittents is, that it contains no Quinine or mineral, consequently it prono Quinine or mineral, consequently it produces no quinism or other injurious effects whatever upon the constitution. Those cured by it are left as healthy as if they had never had the disease.

Fever and Ague is not alone the cons ma, Palpitation, Painful Affection of the Spleen, Hysteries, Pain in the Bowels, Colic, Paralysis, and Derangement of the Stomach put on the intermittent type, or become periodical. This "CCRR" expels the poison from the blood, and consequently cures them all alike. It is an invaluable protection to immigrants and persons travelling or temporarily residing in the malarious districts. If taken occasionally or daily while exposed to the in-fection, that will be excreted from the system and cannot accumulate in sufficient quantity to ripen into discase. Hence it is even more valuable for protection than cure, and few will ever suffer from Intermittents, if they avail themselves of the protection this remedy af-fords.
